Current No. 5128

Dated 4th July 1894.
From the Indian Dept.

NOTE BY TECHNICAL SECTION.

Name of work. Altering & improving blocks
Nos. 83 & 93 at the Lunatic Asylum, Madras.
Amount of estimate Rs 4970.

This estimate has been framed with reference to G.O. No. 1215 W dated 17th May 1894 & provides for altering & improving the existing blocks Nos. 83 & 93 at the Lunatic Asylum, Madras, in order to better ventilate & to provide for additional area of accommodation to each cell.

The existing cells which open inwards into a central passage are badly ventilated. It is therefore proposed to close this passage by removing the side walls & to construct a new central wall below the ridge of the roof, so as to increase the size of the room & to open doorways outwards. Provision has also been made for extending the eaves so as to provide a verandah 6 feet wide, as shown on plan.

The rates are fair.
The plan & estimate have been countersigned by the Surgeon General with the Govt. of Madras & approved in the Judicial Dept with the remark that nothing is mentioned about the defects pointed out in para 1 of Surgeon Major King's letter of 19th Aug 1893 embodied in the G.O. under reference -

The nature of work has not been stated.
