where the year of an applicant's birth is known but not the exact date in that year, it has been usual to assume that the individual concerned was born during the month of December. The Government now resolves to rule that in determining such cases in future, the 30th of June shall ordinarily be considered to be the date of birth.

5TH JULY 1894, No. 849, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the District Judge, Górávari, dated 2nd April 1894, No. 509.

Certificate and Report from T. W. RAWLINS, Esq., Accountant-General, dated 6th June 1894, No. 188-A.D.J.

Submitted to Government. The applicant retired from the service from the 1st April 1894. The District Judge thought that as he was above 60 years of age, no medical certificate of incapacity for further service would be necessary in support of the application for pension and accordingly submitted the application with a certificate of inefficiency signed by himself in conformity with article 486 of the Civil Service Regulations. In the application, 1834 was given as the year of the applicant's birth, without any further detail, and in cases where the exact date of birth was not given, it has been usual for this office to assume that the officer was born during the last month of the year; and as the applicant's age, according to this calculation, was less than 60 years, the District Judge was requested to obtain and forward a medical certificate in support of the applicant's claim to pension. The District Judge sent the applicant to the District Medical officer, who examined him and pronounced him to be fit for further service. See copy of his letter, dated 3rd May 1894, No. 100, enclosed. Under the circumstances it is for Government to determine whether the applicant should be restored to his appointment or whether the retirement permitted by the District Judge should be confirmed. In the latter case, the applicant's service in inferior grades will, provided the marginally-noted period of service which is claimed by him in his affidavit is admitted by Government, in all amount to 39 years,

6th October 1854 to 1st July 1861.

5th October 1861 to 31st January 1863.

January 1864 to 31st August 1865.

2 months and 9 days and will entitle him to an invalid pension not exceeding Rs. 4 per mensem under articles 486 and 524 (b) of the Regulations.

In accordance with rule 3 under article 994 (b) the attention of Government is respectfully solicited to article 514 of the Regulations.

ORDER—dated 5th July 1894, No. 849, Pension.

Under articles 486 and 524 (b) of the Civil Service Regulations (2nd Edition), the Right Honorable the Governor in Council is pleased to grant to Saik *alias* Sheik Silar Sahib, late Attender, District and Sessions Court, Górávari, an invalid pension of Rs. (4) four per mensem payable at Rajahmundry from 1st April 1894, in consideration of his qualifying inferior service of 39 years, 2 months and 9 days.

2. In granting the above pension, the Government confirms the retirement of the applicant, permitted by the District Judge under the impression that he had attained the age of 60 years, and that under article 486, Civil Service Regulations, no medical certificate was required. The Accountant-General, however, reports that in cases
