Order written

Proceedings of the Board of Revenue

(Separate Revenue),

Dated 4 July 1894.

No. 2904 Ruo

Read letter from the Consulting architect to
the Government of Madras dated 16 June 1894
No 738 stating that he has already written to
the Land Revenue Department that the wooden
partition being a new work which will cost over
Rs 500 he cannot prepare an Estimate
for it without the orders of Government.

Resolution

The hall on the ground floor on the
north-west side of the Chepauk buildings, recently
vacated by the Survey Department, has been
divided among the departments of the Board, the
western portion being made over to the Separate
Revenue Department. It adjoins the Store room
and will be used as such, the existing store
room being insufficient. When the Consulting
architect submitted for the approval of the Board
an Estimate for annual repairs to be done to the
Chepauk buildings, he was requested to provide
in

*116

in it for constructing a wooden partition to
separate the portion of that hall allotted
to this Department from the rest of it, but
he has declined to do so on the ground
that it is a new work which will cost over
Rs 500 and as such requires the previous
sanction of Government before an estimate
can be prepared. As the proposed partition
is necessary in order that the clerks in charge
of stores and forms may be held responsible
for them, the Board requests that Government
may be pleased to direct the Consulting
Architect to prepare an estimate and to
sanction the execution of the work at an
early date
