Copy of letter from the Superintendent Central Jail, Vellore dated 30th June 1894, No. J.1012:—

With reference to your Order No. 1609 dated 5th April 1894 sanctioning the estimate of Rs 190-0-0 for providing Skylights to the Carpet Workshed, I have the honour to inform you that the Executive Engineer Public Works Department states that the Superintending Engineer takes objection to the P.W. Department undertaking the execution of the work in the absence of special orders of Government as, according to G.O. No. 3230 W. dated 12th December 1893, the work should be carried out by the Jail Department.

2. The Executive Engineer goes on to say that the work is one requiring very careful execution and he considers that he should carry it out and that as there are other works proceeding in the jail he can very easily supervise this one.

3. I agree with the Executive Engineer that the work should be executed by him. I, therefore, beg you will be good enough to obtain the order of Government giving permission to that Officer.
