From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 29th June 1894, No. 1809.

I have the honour to forward for the orders of Government a letter (in original to be returned) from Mr. H. B. Grigg, Resident in Travancore and Cochin, No. A-1029, dated 16th May 1894, requesting that the limits of Pirmaad, which has been held to be a halt station in Madras G.O., No. 343, Financial, dated 19th May 1891, may be defined.

ENCLOSURE.

From H. B. GRIGG, Esq., M.A., C.I.E., Resident in Travancore and Cochin, to the Accountant-General, dated Pirmaad, 16th May 1894, No. A-1029.

With reference to the Government Order noted in the margin, I have the honour to inquire what is comprised within the term "the station of Pirmaad." Pirmaad is a district rather than a station, extending as far as the Madura

frontier on the east, some 30 miles distant from the Residency. North and south of the Residency the district, though not strictly defined, extends about 8 miles each way. These limits would comprise all the tea plantations of the district and the British Periyar works. As Pirmaad is gazetted as a hill station like Ootacamund or Kodaikānal, I presume that, as a station, like them it would be held to have its limits, for I conceive that Ootacamund is not held to be equivalent to the whole of the Nilgiri district, nor Kodaikānal to the whole of the Palnis. I would therefore suggest that the limits of Pirmaad be defined, and think that a radius of 5 miles from the Residency above the ghats would be suitable. This would include the little township of Avady, where the public offices are, and the church. Should the matter require the orders of Government, I beg that you will forward this letter with your support. I have recently visited the Periyar with the Diwan. It is 27 miles distant by the main road and 20 by a hill tract; but although I have had the cost of camping out for two days, as matters stand I can draw no allowance.
