PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works,

READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 20th July 1894, Mis. No. 3997.

Read—the following letter from S. H. WYNNE, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, dated 10th July 1894, No. 1444-Eng. :—

In forwarding herewith Sub-Collector's letter No. 2851, dated 30th June 1894, regarding extension of the record room of his office and a ground plan of the same, I have the honour to request that estimates may be ordered either for an extension or for a Sub-Registrar's office, whichever is deemed most economical and desirable. I should prefer the latter, but it would probably cost more.

ENCLOSURE.

From R. A. GRAHAM, Esq., Acting Head Assistant Collector in charge of sub-division, to the Collector of Nellore, dated Ongole, 30th June 1894, No. 2851-Sub-Collr.

With reference to your memorandum, Ref. No. 730-Eng., dated 30th March 1894, I have the honour to furnish you with a ground plan of the present building of the Sub-Collector's office showing roughly the position of the several rooms and to add that the extension of the building at least by 20 feet northwards or westwards in continuation of the last rooms on either side appears to be the most feasible way of providing extra accommodation for the records. The present racks in the record room are also much ill-suited for the present business system and requires therefore to be reconstructed.

2. If, however, it is possible to remove the Sub-Registrar's office from the present building, the extension proposed will not be necessary and the building will suffice with a slight rearrangement of the racks.

3. I beg that something may be done soon.

Resolution—dated 20th July 1894, Mis. No. 3997.

Submitted to Government with reference to G.O., dated 7th October 1892, No. 2086 W., with the request that instructions may be issued in the Public Works Department for the preparation of a plan and estimate for the extension of the record room in the Sub-Collector's office at Ongole.

2. The Board considers that the Sub-Registrar need not be disturbed as the construction of a separate building for him will probably involve greater expenditure to the State.
