C No 9

For orders.

Rent should not,
apparently, be charged for
any building included in
the list which has been
handed over on conditions
which do not provide for the
payment of rent.

It will be seen from the
list that there are several
buildings in regard to
which there is no information
on record as to conditions
of tenure, but the list in
its present form has been
accepted by the Govt. of
India - vide G.O. 2157 w of
9. Aug. 93 - and it,
therefore, seems unnecessary
to go beyond the sanction
there conveyed.

198w R.S.
16 Jan. 94

Rent should not
be charged for
any of the buildings
in the list.

With respect to
those buildings

for which there is
no record of the
conditions under
which they were
transferred, and
if the transfers are
not permanent, it
would be as well to
formally notify that
the transfers are
subject to the buildings
being kept in repair
and to them being
given back if required.
