GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following papers:—

G.O., dated 23rd June 1883, No. 404, Educational.

ABSTRACT.—Exempting A. Coopooramiah, an Accountant in the Collector's office, Coimbatore, from passing the Middle School examination so far as his promotion in the Treasury branch of the Collector's office is concerned, and issuing certain instructions to the Board of Revenue in regard to the submission of memorials to Government.

G.O., dated 22nd October 1885, No. 643, Educational.

ABSTRACT.—Ruling that the Board of Revenue and all heads of departments are not required to submit to Government applications for exemption which they do not recommend.

ORDER—dated 21st July 1894, No. 524, Educational.

In the first of the orders read above all public servants were accorded the privilege of submitting applications for exemption from the Examination rules direct to Government, and in the same order and G.O., dated 22nd October 1885, No. 643, Educational, certain rules were prescribed in regard to the forwarding of such applications through the ordinary official channels when advantage was not taken of the privilege of petitioning direct.

2. The Government has now resolved to cancel these orders. It is anomalous that subordinate public servants should have the right of addressing Government direct with prayers for exemption from the Examination rules and the Government is obviously unable to come to a satisfactory decision in respect of such applications unless it is in possession of the views of the petitioner's official superiors.

3. In future, therefore, applications from public servants for exemption from the Examination rules or for other similar educational concessions will not be considered unless they are submitted through the ordinary official channels. It must, however, be distinctly understood that every such application must be forwarded to Government whether the petitioner's official superiors support his prayer or not.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. A. MONRO, M.A., B.C.L., Acting Commissioner for Government Examinations, Madras, to the Chief Secretary to Government, dated Madras, 14th July 1894, No. 1852.

I beg to invite the attention of Government to the manner in which graduates are affected by the rule which has now come into force in regard to the Précis-writing Test, which declares that all ministerial officers who, on the 1st July 1894, are in receipt of salaries less than Rs. 80 *per mensem*, but not less than Rs. 60, shall be required to pass this test before they are promoted to any post carrying higher pay.

2. Under the old rules, graduates were not required to pass the Précis-writing Test. If the new rule, as it affects graduates, is to be enforced at once, no graduate whose salary is less than Rs. 80 but not less than Rs. 60 can expect to be promoted until at least six months have passed, that is to say, until the next examination in Précis-writing is held and the results are published, and it is quite possible that, during this interval, graduates may have to be superseded by men of inferior qualifications and with less service. As it would be hard to make graduates suffer for not having passed a test which they were never required to pass, I would suggest that heads of departments be allowed to promote graduates temporarily on the condition that they pass the next Précis-writing Test. If this suggestion is approved, the necessary orders may be issued in the several departments of the public service. It does not appear necessary to publish a notification in the Gazette.

ORDER—dated 23rd July 1894, No. 528, Educational.

The Commissioner's proposal is approved.
