which head the outlay should for the present be charged.

3. If the outlay is to be charged to the Local Fund, the necessary adjustment will have to be made hereafter, as the survey and examination of the sites cannot be delayed until the estimate is passed and funds allotted by the District Board.

I have the honor to be,
Sir,

Your most obedient servant
W. B. Dudley Major R.E.
Superintending Engineer

To W.

Preliminary expenditure of the kind should be charged as a separate work under the fund and head of service to which the main work will be charged if sanctioned, and eventually included in the estimate and accounts of that work.

2. In the present case the outlay may be charged temporarily to 45 Civil Works, Communications under Provincial, and written back to Local if it is decided to construct the bridge from Local Funds.

SIR,

ENCLOSURES.

With reference to G.O. No. 1272 W.

Public with

C No 55214 sent

to W on 27-7-94

Construction

of a bridge

over the

Varahanadi

of the 22nd May 1894, ordering preparation

of estimates for bridging the Varaha-

nadi, Jeyyar and Pambas on the road

No 38 from Periyakulam to Gudalur and

of the Pirmed ghaut, I have the honor

to state that I have sanctioned an

estimate of Rs 60 for examining sub-

soil and taking sections and surveys

of the above rivers at sites of the

proposed bridges.

2. I request that the amount

of the estimate may be allotted, as

there are no funds available in the

circle under Provincial-Communica-

-tions. Minor original works, to

which
