The claim of No. 22-7-2
against Mr. Bidie, Assistant
Superintendent of Police, will
be withdrawn in the circum-
stances stated.

2. The Govt. considers it
unsatisfactory that the rent
of the building in question
should have been miscalculated
by the Executive Engineer when
the rules on the subject in para
28, Chapter XI, Vol. I, P. Code
are so clear

Sir,
 I have the honor to bring to
 your notice that Mr C. L. Bidie, Assistant
 Superintendent of Police at Tirupaturn, occupied
 the P. W. D. rest house at Hosur from 15th
 November 1893 to 23rd February 1894. As, at
 first, it was considered he occupied it
 temporarily as a private individual, a
 rent of annas 8 per day from the 15th to
 30th November was accepted from him
 as per rule 6 embodied in G.O. No. 2584 W,
 dated 22nd August 1888. But as he intimated
 his desire to occupy the building for some

Encls. 1.

months at the beginning of December (probably by a demi Official letter to the late Executive Engineer Mr. Manson not now forthcoming in the records of this office) he was asked to pay a monthly rent of Rs. 22-8-0 from the 1st of December till he vacated the building and this, he did. But the Examiner, P.W. Accounts, pointed out, in his Audit Notes on the accounts of this division for January 1894, that the normal rent sanctioned for the building was Rs. 29 per mensem and that rent at this rate must be recovered from Mr. Bidie from the date of his occupation. A monthly rent of Rs. 22-8-0, as determined in this office, was a mistake as provision for repairs was not, by an oversight, taken into consideration in the calculations. The Audit Note, above referred to, was received in this office about the 22nd of March i.e. about a month after Mr. Bidie's vacation of the building and on his being asked to pay rent as pointed out therein, he refused to

pay and wanted a reference to the Examiner on the subject. On that officer being written to, he has pointed out in his No. 2289 D dated 7th June 1894 (copy herein enclosed) that the proper monthly rate of rent is Rs. 28 and that as Mr. Bidie occupied the building at the rate of Rs. 22-8-0 as intimated to him by this officer, he cannot be expected to pay a higher rate and sanction of Government must be obtained to waive the difference of claim. I therefore request you will be good enough to apply for sanction of Government to waive the claim for Rs. 22-7-2 as shown below, Mr. Bidie having vacated the building long before the increased rate of rent was communicated to him.

No: 2289 D / A Madras 7th June 1894

Sir,

With reference to your No. 489 dated 17th May 1894, I have the honour to point out that the rent of Rs 22.8-

as calculated by you does not include any provision for repairs as required by Code Volume 1, Chapter XI, para 28.

2. The rate of Rs 29 per mensem referred to in the Audit note for January 1894 (Para 10 of December 1893) is that sanctioned on a dated statement received under Superintending Engineer's Endorsement No. 146 Ex., dated 27th March 1890 but according to the rules now in force, the rent should be as follows:-
