u. 278.

30/8

5. I am, therefore, of opinion as already proposed, that only Collectors, District Judges and all the controlling Heads of Departments whose total number is 106 as detailed in the List A forwarded with my letter dated 8th December 1893, No. 1783, and also Sub-Collectors and Covenanted Assistants whose number is taken at 56 be supplied with twelve pencils (six blue and six red) as recommended by the Board in its Proceedings, dated 13th June 1893, No. 327, Land Revenue, instead of four each as at present.

6. To supply these 162 officers in all with eight more pencils each, the extra cost for 1296 pencils at 9 annas 1 pie a dozen would be only Rs. 61-5-0.

7. I will submit a separate report on the revision of the scale of quills, steel nibs, &c., when the replies from all officers are completely received.

ORDER—dated 1st August 1894, No. 584, Financial.

The Government sees no reason to increase the scale of supply of colored pencils to the extent recommended by the Board of Revenue. In the case of the officers mentioned in the annexed list the maximum scale will however be raised to three blue and three red pencils *per annum*.

2. The Superintendent of Stationery will note the necessary correction to be made in the Stationery rules.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

Proceedings of the Board of Revenue (Land Revenue), dated 13th June 1893, No. 327.

ABSTRACT.—Submitting, for the orders of Government, papers regarding insufficiency and inferior quality of colored pencils supplied to heads of departments as per scale laid down at page 47 of the Stationery Rules, and recommending that the scale be raised to six blue and six red pencils per annum, or twelve blue if red pencils of a better quality are unobtainable.

Letter from the Superintendent of Stationery, dated Madras, 30th August 1893, No. 1327.

Letter from the same officer, dated 8th December 1893, No. 1783.

G. O., dated 28th December 1893, No. 1316, Financial.

G. O., dated 29th May 1894, No. 410, Financial.

From E. TURNER, Esq., C.S., Acting Superintendent of Stationery, Madras, to the Chief Secretary to Government, dated Madras, 25th June 1894, No. 950.

With reference to the Orders of Government quoted in the margin relating to the increased supply of colored pencils to all Heads of Departments, I have requested the several officers to report as to the actual requirements of different descriptions of pencils, quills, steel nibs, &c., with a view to revise the present scale.

2. The report has not as yet been received from all the officers, but as the Government is desirous to have an early report on the supply of colored pencils, I have the honor to submit the following information on the subject.

3. Reports have been received from 135 officers of different departments of whom 45 require an increased supply while 90 do not wish for any change in the present scale.

4. From the enclosed statement compiled from the replies received from the several officers, it will be seen that only Collectors, District Judges and a few other officers require a larger number of colored pencils than is now allowed to them while all the others consider the existing scale sufficient for their purpose.
