Sir,

Referring to the correspondence ending with your letter no 537 dated 16.5.94, I have the honor to state that an agreement has at last been come to with the Devalbhem and Kurla proprietors that the charge of Rs 568-4-1 incurred on Hoipulya nala should be borne by the three states of Aska, Kurla and Devalbhem in the proportion fixed in your letter quoted above. The share of Kurla state has already been debited to that state by your department in 1891-92 and as the rest is now at the debit of Aska only Rs 142-10-10 have now to be recovered from the Devalbhem Proprietor and credited to Aska. Being without funds the Devalbhem Proprietor requests to be allowed to execute a stamped agreement binding himself to pay his share in September next.
