year to the continued employment of
watchmen for ~~same~~ buildings did not
appear necessary.

The Examiner however is of opinion
that sanction of Government is necessary
under G.O. 1328 D of 17 May 1893 which
requires that all proposals for the em-
ployment of watchman should be submitted
for the sanction of Government. This in
the case of buildings under reference has
been done and sanction obtained in G.O.
223 D of 7 August 1893 above alluded

If the Examiner's view as to the
necessity of Government sanction year
by year be correct I have the honor
to request that sanction of Government
may be accorded to the employment
of watchmen for the undermentioned build-
ings during 1894-95.
