READ—the following paper:—

From E. N. BAKER, Esq., Deputy Secretary to the Government of India, Finance and Commerce Department (Salaries, Establishments, &c.—Compensation), to the Chief Secretary to the Government of Madras, dated Simla, the 20th July 1894, No. 3646-Ex.

In connection with the grant of exchange compensation allowance, cases have occurred in which officers who had drawn the allowance in good faith have subsequently been held to be not entitled to it under the rules issued with the Resolution of this department, No. 3624-A., dated 18th August 1893. The Government of India have had under consideration the question whether in such cases the amount wrongly drawn in good faith should be recovered from the officers concerned.

2. I am now directed to say that when the title of an officer to the allowance has been disallowed by the Government of India or the Local Government or the Head of the Department in which he is employed, the Government of Madras is hereby authorized to exempt the officer from refunding the amount drawn by him previous to the disallowance of his claim, provided that in the opinion of His Excellency the Governor in Council—

(1) the allowance was drawn under the orders of an officer who had authority at the time to admit it; and

(2) there was at the time reasonable ground on the part of the officer himself to believe that he was entitled to it and on the part of the officer admitting it to believe that it was admissible.

3. These orders are not intended to reopen any cases that have already been settled, except when the Local Government considers that substantial hardship has been caused.

Copy forwarded to the Military and Public Works Departments, to the Comptroller and Auditor General, and to all Accountants-General and Comptrollers.
