

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From the Executive Engineer, Kistna Eastern Division, to the Superintending Engineer, II Circle, dated 20th April 1894, No. 289.

In continuation of the correspondence ending with your No. 2687 K.S., dated 10th February 1894, I have the honour to forward a copy of the Resolution of the Bezwada Municipality, and to request that you will be so good as to obtain the sanction of Government to the proposed transfer of lands. My reasons for making the proposal are as follows.

2. Some years ago when land was given out for building, the people who built on the site along the Bandur canal, shown in the large tracing, placed their outer walls right up to the boundary line between theirs and the Public Works Department land and then made doorways opening on to the latter. I believe, under the Municipal Act, this could have been prevented, but it would probably be a difficult matter to alter the existing arrangements now.

3. It is therefore proposed to hand over the strip colored red and yellow and the triangular plot between it and the Hyderabad Road to the Municipality who have agreed to maintain it as a road and consider that it will be advantageous to the locality to do so.

4. In exchange, they agree to give the plot colored green in the second tracing, and the advantages of obtaining possession of this situated as it is between the compounds of the Head Assistant Collector and Assistant Engineer and close to the bungalow of the latter are obvious.

ENCLOSURE.

Proceedings of the Municipal Council, Bezwada, dated 29th March 1894.

X.—Read letter No. 6064, dated 22nd March 1894, from the Executive Engineer, Kistna Eastern Division, together with a plan requesting to hand over to the Public Works Department land marked C and D measuring acres 2.32 and to take in exchange land measuring acres 2.15 marked red, yellow and green with land in Subramanyampett, Bezwada.

Resolution.—The Municipal Council accepts the Executive Engineer's proposals to exchange acres 2.32 for acres 2.15. The Public Works Department will be allowed to lease out the plots marked yellow and green for brick-making till the road level is reached.

Land

The proposed transfer of certain — on the left bank of Bandur canal to the Bezawada Municipality in exchange for certain land at Buckinghampett, sanctioned.

From the Executive Engineer, Kista Eastern Dy., to the Supg Engineer, II Circle, dt 20th April 194, No. 289.

In continuation of the Correspondence ending with yours No. 2687 R.S. dt 10.2.94 I have the honor to forward a copy of the Resolution of the Bezawada Municipality, and to request that you will be so good as to obtain the sanction of Govt. to the proposed transfer of lands. My reasons for making the proposal are as follows:—

2. Some years ago when land was given out for building, the people who built on the site along the Bundar Canal, shown in the large tracing placed their outer walls right up to the boundary line between theirs and the P.W.D. land, and then made doorways opening on to the latter. Under the Municipal Act this could have been prevented, but it would probably be a difficult matter to alter the existing arrangements now.

3. It is therefore, proposed to hand over the strip colored red and yellow, and the triangular plot between it and the Hyderabad Road, to the Municipality, who have

have agreed to maintain it as
a road and consider that it
will be advantageous to the locality
to do so.

4. In exchange they agree to
give the plot colored green in the
second tracing, and the advantages
of obtaining possession of this

I think the following should be asked whether the title of the Municipality to the land wh. the provisions proper to put in exchange is not - my experience of the Council is that they are greedy land-grabbers
