Sir,

With reference to your N^o. 342 S.O. dated 24th July 1894 I have the honor to forward a statement which I think will make the matters clear.

2. There were two estimates (1 and 2 of statement) on which up to 31st March 1894 total expenditure was Rs 2399-10-4 of this the expenditure during 1893-94 was only Rs 245-2-9 made up of Surveyor's Salaries Rs 197-3-2 Lascars Rs 47-15-7. In March 1894 both these estimates were closed but the sum of Rs 197-3-2 spent in Surveyor's Salaries during 1893-94 was under Examiners' objections based on G.O. N^o. 483 W dated 24th February 1893 written back to establishment, as special sanction for establishment charges is necessary the two items forming the amount of Rs 197-3-2 were entered in the estimate for Rs 282 which accompanied this office N^o. 186 dated 4th April 1894.

3. Again in 1892-93 an estimate of Rs. 330 (item 3 of statement) was sanctioned expenditure of Rs 284-4-0 was incurred; during 1893-94 on the same estimate a further expenditure

of

of Rs 60 was incurred to this the Examiners took objection and it had in consequence been written back to establishment.

4. On estimate for Rs 3950 (item 4 of statement) a charge of Rs 25 was incurred in April 1893 by the Sub Divisional Officer without the knowledge of this office; this Rs 25 was also objected to by the Examiners and the charge written back to establishment.

5. The estimate which was submitted with this office letter No 186 dated 16 April 1894 includes all the items to which the Examiners took objection and these require special sanction as they have been written back to establishment.

6. The so called excesses and irregularities are the outcome of the new order of things introduced with G.O. 4835 of 24 Feb 1893.

7. The total expenditure on Surveyors chargeable to establishment during 1893-94 was Rs 503. of this Rs 221 is covered by the sanction accorded in G.O. 2232 dated 31st August/93 to an estimate for Rs 240 (item No 5 of statement) the difference Rs 282 is the sum now requiring sanction and this I request you will obtain.
