OFFICE OF THE SUPERINTENDING ENGINEER,

6TH CIRCLE,

Trichinopoly, 8th August 1894

FROM

Major A. V. Boddy R.E.
THE SUPERINTENDING ENGINEER,
6th CIRCLE.

TO

THE CHIEF ENGINEER,

Public Works Department.

SIR,

ENCLOSURES.

I have the honor to bring to your notice that Mr. John Pillay, temporary special draftsman, who was transferred to the 6th Circle Office in G.O. No. 3276 W. dated 9th December 1890 for special duty in connection with the revision of the plans of masonry works in the late No. II Periyar Division, was, at the desire of the Executive Engineer of that division, deputed to work in his office from July 1891 and he continued to work there until August 1893. This transfer was ordered by this office because all the old plans to be revised were in the Division office, as their revision could be made on the spot more conveniently and as several new plans were to be designed.

The above transfer was duly intimated to the Examiners who took no objection to it.

2. John Pillai was afterwards temporarily deputed to clear off some arrears in the Madura Division, where he remained until April 1894.

3. On the amalgamation of the late N^o. II Periyar Division with the Madura Division, in April 1894, John Pillai was allowed to continue in the latter division to facilitate the work of the former division, the services of the two draftsmen attached to that Division (N^o. II Periyar) having been dispensed with.

4. The transfer of the draftsman to the Madura Division was duly intimated to the Examiners in the monthly returns for August 1893 and April 1894.

5. In the list of disallowances from the salary bill of the Madura division for March 1894, the Examiners of P. W. Accounts took objection to John Pillai's being employed in that division as his employment there is in excess of the scale of draftsman for that division and desired that sanction of Government to his (John Pillai's) transfer should

should be obtained.

6. The circumstances under which John Pillai was transferred as above were explained to the Examiners and it was also pointed out to him that the sanction of Government did not appear necessary to the arrangement - Vide G. O N^o. 1154. W., of the 5th May 1881.

7. That officer states in his rejoinder dated 30th July 1894 to the above disallowance list, that G. O N^o. 1154. W., dated 5th May 1881 can apply only to members of the permanent establishment.

8. Under the circumstances, I request that necessary sanction may be obtained to the employment of John Pillai, temporary special draftsman, in the Madura Division.

I have the honor to be,
Sir,

Your most Obedient Servant,

Yours truly Major R. E.
Superintending Engineer Circle
