Proposed to omit from  
the draft order of 8.8.94  
of 6 Sept. 1894 all the lines  
after "Recorded".

Allotment of Rs 10,000/-  
for Pattilonda lentcherry  
Informing that the  
may be spent on  
Allagada lentcherry

Letter from the Executive Engineer  
Munrool Division to the Suptg Engineer  
III Circle No 1093 of 22<sup>nd</sup> August 94.

In para 3 of my letter No 103 dated  
14<sup>th</sup> August 94, I stated that a por-  
tion of the allotment for the Pattikonda  
Cutcherry would be spent on Alagadda  
Cutcherry being then under the impres-  
sion that there is no near prospect  
of additional funds being granted  
for the Alagadda Cutcherry. But  
now that funds for Alagadda have  
been sanctioned from reserve vide  
govt No 1241 of 10.8.94.

I have the honor to state that the  
whole of the allotment of Rs 10,000 for  
the Pattikonda Cutcherry will be spent  
on that work alone a portion on founda-  
tions, basement, and if possible on  
superstructure, and the other on stone,  
tiles, timbers &c to be kept ready for  
next year's work.

Copy forwarded to the Chief  
Engineer P.W. Dept for information.  
This cancels this office endorsement

that the proposal to move the Pattikonda

been given up but the Collector has now  
selected a site different from that  
already chosen and this necessitates some  
alterations which will be submitted for
