Sir,
I have the honor to bring to your notice that a small outhouse opposite to the Civil debtors' yard in the late District Jail at Chittoor measuring $13\frac{1}{2}' \times 10'$ and built of brick pillars and mud walls carrying a roof on countrywood rafters and bamboo reapers in a much decayed state. The roof has partially fallen down and the timber is rotting. This outhouse is not shown in the registers of buildings.

2. Another latrine (no 10) more deplorable brick in mud

may be obtained to dismantle the buildings referred to and sell the materials by public auction.
