

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. MONRO, M.A., B.C.L., Acting Commissioner for Government Examinations, to the Chief Secretary to Government, dated Madras, 16th August 1894, No. 2448.

I have the honour to enquire whether, in prescribing a Handwriting test for under-graduates seeking admission into the public service, it was the intention of Government to exempt from the test such of them as may have passed the late Middle School examination in the first class.

2. It will be remembered that to pass in the first class in the Middle School examination, a candidate had to obtain 60 per cent. of the marks in Handwriting under Branch I, besides the minimum prescribed for Spelling and also for Translation or Composition; and it was in consideration of this fact that a first-class certificate was allowed to qualify for admission to the Special Test examinations and to render the holder eligible, on attaining the age of eighteen, for an appointment under Government of the value of Rs. 15 and upwards.

3. As nothing will be gained by requiring such candidates to pass, as under-graduates, a second test in Handwriting, I would recommend that they be exempted from the operation of Note 2 to Article 2 of the Public Service Notification. A draft notification is submitted for publication in the Gazette, if my recommendation be approved. The notification is made to apply to those under-graduates also who, as Matriculates, passed the late "Handwriting test for Matriculates."

ENCLOSURE.

Draft Notification.

It is hereby notified that under-graduates seeking admission into the public service shall not be required to have passed the Handwriting test prescribed in Note 2 to Article 2 of the Public Service Notification, if, as Matriculates, they passed the late Handwriting test for Matriculates, or if, as Middle School candidates, they passed the late Middle School examination in the first class.

ORDER—dated 28th August 1894, No. 635, Educational.

The Commissioner's proposal in paragraph 3 of the foregoing letter is approved and the draft notification submitted by him will be published in the *Fort St. George Gazette*.
