In audit notes for November 1892,
January, April and July 1893, it was
pointed out to the Executive Engineer
Kistna Eastern Division that a state-
ment giving data for calculation of rent
of the half portion of the Northern Sub
Division office occupied by the Bezawada
Club should be submitted for sanction
of Government. The item was then trans-
ferred to the objectionable item state-
ment ~~and having regard to~~
~~the time it has been there &~~
The Supg. Engineer now applies
for the sanction of Government, but the
data statement showing how the rent of
Rs. 12 has been arrived at has not been
sent in.

3. The Executive Engineer states
that the rent was approximately fixed
by the then Executive Engineer.

4. In the absence of a data state-
ment it is not possible to say if the
rent fixed is a fair one or not.

5. ~~to the long period the building~~
~~was occupied by the Club &~~
~~Offg. C.~~
~~wherein the rent proposed~~
~~be sanctioned & the matter~~
