the same rate the total for the year will be Rs. 21,13,971 against a grant of Rs. 21,93,781.

It would thus seem perfectly safe to make a transfer now of Rs. 30,000 to "Works".

Please let me know whether you see any objection to this being done.

To W.

The total of the grants for Establishment for the current official year amounts on this date to Rs. 21,94,538 according to the Budget Registers of this office, while the approximate charges for the year based on the actual audits will amount to Rs. 21,27,054 or Rs. 67,484 less than grant: there therefore appears to be no objection to the proposed transfer of Rs. 30,000 to "works".
