To
The Superintending Engineer
IV Circle

Sir,

With reference to your No. 312
dated 13th June 1894 approving of my
action in cancelling the contract for the
Chendragiri Taluk Cutcherry it has become
necessary to execute the work departmentally
as cash payments have to be made to the
laborers and piece-workers the imprest
of Rs. 100 allowed to the Sub Overseer in
charge of the work is found quite insuffi-
cient and inconvenience is thereby
felt. His imprest has therefore been
raised from Rs. 100 to Rs. 350/. I am
of opinion that the security of Rs. 50
sanctioned in G.O. No. 739 W. dated 16th
March 1894 is sufficient even now al-
though the amount of imprest has been
raised

raised. If you approve of my proposal
I have the honor to request that you will
kindly move Government to accord
their sanction to it.

I have the honor &c &c

/Signed/ H. E. Clerk
