Read—also the following papers :—

From the Officer in charge, Cowtaram Sub-Division, to the Executive Engineer,
Kistna Eastern Division, dated 29th April 1894, No. 274.

With reference to your No. 358, dated 26th April 1894, I have the honour to state that the two buildings referred to by the District Munsif are the division office at Gudiváda and the Executive Engineer's quarters, to the latter of which is attached a thatch-roofed rest-house for travellers.

2. The division office is spacious enough and will suit well for a court; the District Munsif can be allowed to remove his court to the building.

3. The Executive Engineer's quarters has to be retained with this department only as a rest-house for Public Works officers, because if this be taken up by the Munsif for his court the thatched building, which is very close to it, will not suit the convenience of travellers who cannot put up with the noise and crowd usually attendant on a court of justice besides its being occupied more or less always by travellers other than Public Works Department officers.

No. 568.

Forwarded to the Superintending Engineer with reference to his No. 158 K.S., dated 24th April 1894. I have not yet been to Gudiváda, but I see no reason to differ from the opinion of the Sub-division officer and therefore recommend that the old division office be given up to the Munsif, but that the Executive Engineer's quarters should be retained as a Public Works Department rest-house at any rate for the present.

30th April 1894.

Ex. Engr., Kistna Eastern Division.

No. 323 K.S.

Communicated to the Chief Engineer, Public Works Department, for favour of obtaining the sanction of Government for the transfer of the building of the late Gudiváda division office at Gudiváda to the Judicial Department for the District Munsif's Court at Gudiváda being held in it.

24th May 1894.

From the Public Works Department, dated 5th July 1894, No. 516.

From the Registrar of the High Court, Appellate Side, dated 22nd August 1894, No. 2345.

With reference to Government memorandum, dated 11th July 1894, No. 1412, Judicial, I am directed to state that the Acting District Judge, Kistna, is in favour of the proposal to locate the District Munsif's Court of Gudiváda in the divisional office at that station and it appears to the High Court to be a suitable arrangement.

Order—dated 11th September 1894, No. 2214, Judicial.

The High Court's letter will be communicated to the Public Works Department with the remark that the proposal to use the old Gudiváda Division office as a court for the District Munsif seems unobjectionable.
