note

The Railway
 Branch has received
 a demand from
 the Madras Ry
 for extra copies
 of books & some
 medicine, & is
 expecting similar
 demand from the
 S.I. & E.C. Ry.
 On receipt of
 these, a supple-
 mental indent
 will be forwarded
 to W for trans-
 mission to the
 G.O.

A number
 of demands have

been received from
officers after M.D.
who have been told
that no more copies
are available.

The S.D. IV will
be now submitted
a supplemental index
it is proposed
to compile all
the requisitions,
pending receipt
of a report from
India to the
inquiry in the
draft letter
in the linked
file, whether
any more copies
can be supplied

It is probable
that the R. & S. will
a limited no. of
copies from the
publication after
considering the

demand from all
provinces, it is
not likely that
there will be any
venue to compare
with supplementary
indent - In the
case of the fifth
edition received
a few years ago,
the G. B. I. in reply
to a supplementary
demand, stated
that no more
copies were avail-
able.

In the case
of the earlier edi-
tion, there used
to be a notice
in the Gazette
of India that
not more than
one copy could

be supplied to any
Govt. office at
the normal rates,
but ~~there is~~ no
such order appear
to have been issued
in connection with
the present edition.
It appears de-
sirable that a
definite ruling
on the point
should be
obtained from
India, as the
Govt price is
much below
the trade rate.
