Copy of a letter No. 2526 M. W. dated 28th

August 1894, from the Government of India,
Military Department, to the Quarter Master General
in India.

In reply to your letter No. 2100B, dated the 27th June 1894, I am directed to state for the information of His Excellency the Commander-in-Chief that under the circumstances represented therein, the Government of India sanction the height of the chulas in the cook-houses of British troops in India being raised to 30 inches, and approve of the present chulas being altered gradually so that the expenditure may be spread over a number of years.

The above is forwarded to the Director General of Military Works for information.
