GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

ORDER—dated 13th January 1894, No. 26, Public.

In paragraph 2 of G.O., dated 13th June 1890, No. 429, Financial, it was stated that rules for the supply of liveries to the peons of the Secretariat Departments would be drawn up. From various causes this has not hitherto been accomplished, but in G.O., dated 25th October 1892, No. 735, Public, Departments of the Secretariat and Heads of Departments under the Chief Secretary to Government were requested to supply information in regard to liveries supplied to menial establishments. The

substance of the replies has been tabulated, and is printed as Appendix A* to these proceedings. Rules to govern the

supply of liveries to peons of the Secretariat Departments have now been drafted and will be found in Appendix B. They will be communicated to all Departments of the Secretariat for information and guidance.

2. The Sanitary Engineer requests permission to provide two peons and two lascars with warm clothing biennially and all the peons in his office with white liveries. It must be distinctly understood that the supply of white liveries is restricted to a few selected peons in the Secretariat. All other peons are required to clothe themselves decently while on duty, and a similar condition should be imposed in all subordinate offices. The Sanitary Engineer may in future supply warm clothing biennially to one peon and one lascar.

3. The remarks above in regard to white liveries apply also to the application of the Inspector-General of Registration. The cumblies supplied to peons of the Registration Department will in future be supplied biennially instead of annually. The supply of turbans to the establishments of Deputy Tahsildars and to the peons at the Government Cinchona office and Herbarium must be discontinued.

4. The sanction accorded in G.O., dated 15th April 1890, No. 286, to clothing for servants employed at the General Hospital requires revision. It is desirable that all in-door servants and gate-peons should be uniformly and distinctly clothed, but the same necessity does not exist in the case of stokers, butchers, gardeners, bricklayers and other out-door servants. The Surgeon-General will submit a report on the subject embracing all Government hospitals at the Presidency Town. That officer's recommendation for the supply of clothing to the peons attached to his office and the offices of District Surgeons cannot be entertained. The request of the Inspector-General of Jails for warm clothing for his moochee is sanctioned.

5. The number of peons employed at the High Court who are supplied with clothing is very large. The Honorable the Judges will be requested to furnish details as to cost of clothing and the duties of the recipients. In the case of the Sub-Judge at Ootacamund no details as to the number of servants clothed have been given. The Judicial Department will be requested to obtain the foregoing particulars.

6. The number of peons employed in the offices of the Board of Revenue who receive white liveries also appears to be large. Details of their duties will be furnished by the Board with remarks as to a possible reduction in their number. It is observed that the liveries of the jemadar and duffadar in the Separate Revenue Department cost Rs. 60 each, whereas in other similar cases Rs. 40 is sufficient. The

excessive expenditure should be curtailed. It is now possible to obtain in Madras sets* of livery for duffadars and peons, including the necessary gold lace and braid, at Rs. 38 and Rs. 18, respectively, and these figures should not be exceeded in future.

7. The Assistant Commissioner of Salt and Akkari Revenue stationed at Erode is allowed four peons who receive clothing at Rs. 20 per head per annum. The period of wear will be extended to two years, and in the absence of explanation as to the necessity for four peons being supplied with clothing that number will be reduced to two, which is found sufficient for the Director of Public Instruction, the Inspector-General of Registration and the Sanitary Engineer. The charges incurred by the Deputy Tahsildars at Ootacamund, Yercaud and Kodaikanal vary considerably for the same description of clothing. There is no apparent reason why this should be so. In future, the maximum charge admissible for attenders, peons, &c., at hill stations will be Rs. 12 in each case. That is the amount expended in the Wynaad and by the Inspector-General of Jails, and must therefore be ample. In all cases in which cumblies are supplied at the cost of the State, they should be issued biennially. Attenders should not be supplied with turbans.

8. The supply of liveries by the Superintendent, Revenue Survey, to his peons is irregular and must be discontinued, with the exception of the men who accompany the Superintendent on tour. They may be supplied with a set of warm clothing biennially. The cost of the clothing supplied to the peons employed in the Government Gardens, Cinchona Office and Herbarium at Ootacamund, and at Sim's Park, Coonoor, must be reduced to Rs. 12 all round.

APPENDIX E

1. All questions relating to the supply of white liveries and warm clothing to the Peon establishment of all departments of the Secretariat will, in future, be dealt with in the Public Department. The Chief Assistant, Public Department, will arrange for the supply of all clothing, and none — cloth or cotton — should be purchased except through him. Lists of clothing required should be forwarded to him in ample time to permit of the supply being arranged for by the date it is required.

2. Registers should be opened in each department in which all issues of clothing should be noted. This will enable early notice to be given when fresh supplies are required.

3. The number of peons supplied with white livery in the various departments of the Secretariat will be as follows :—

Peons	..	..	..	..	..	..	..	..	6

These numbers shall not be increased without the special sanction of Government. The style of livery at present in use will be continued. Peons supplied with white liveries are called "dress" peons.

4. The head moochee of the Chief Secretariat will be supplied with white livery for wear when he attends at the residences of Honble Members of Council and the Chief Secretary.

5. The supply of white livery shall be as follows:—

Articles.	Period of wear.
4 long jackets	 4 seasons.
4 pairs of trousers	 "
1 piece of muslin	 "
1 cummerbund	 "
1 puggree	 "
1 belt	 "
	Will be renewed when rendered unserviceable by fair wear and tear.

At the "dress" peons accompany the Government to the Hills, their white liveries, in future, be required to last for four seasons, which will represent two years' actual wear.

If more convenient, two jackets and trousers may be issued biennially.

6. Clothing not in wear should be tied in bundles with the wearer's name attached and stored in tight-fitting (chest) drawers with plenty of *vasamba*, &c., to keep them free from the attacks of insects. Camphor should not be used in a drawer in which gold lace is placed. The clothes should be periodically examined and aired.

7. Before leaving for the Hills "dress" peons will return all their livery to be stored in the office. Similarly, on return from the Hills, all articles of warm clothing should be returned into store. By this means the clothing should be preserved and losses should be at once detected. Any damage which cannot be fairly attributed to ordinary wear and tear will, in the absence of satisfactory explanation, be made good at the expense of the individual concerned; deficiencies will be similarly replaced. Arrangements should be made in each department for necessary cleaning and minor repairs being carried out as soon as possible after the articles are returned into store. Chief Assistants in departments will see that this rule is strictly enforced.

8. The style of warm clothing at present in use will be continued. The distinctive colors of panels and the letters on them will be retained. The letters on the panels of all peons of the Chief Secretariat will, in future, be "C.S." instead of "J.D." or "P.D."

9. The Council dubash will wear his special uniform only when in attendance during meetings of Council and on other special occasions; he will be supplied with a less elaborate uniform for ordinary wear. The special uniform will be renewed only when absolutely necessary.

10. The following will be the scale of warm clothing for the peon establishments of all Secretariat departments:—

Articles.	Period of wear.
1 coat and trousers	 2 seasons.
1 blanket	 2 "
5 yards of flannel	 1 season.
2 pairs of boots	 3 seasons.
1 pair of socks	 1 season.
1 umbrella	 2 seasons.
1 turban	 2 "
1 great-coat	 6 "
1 waterproof cape	 To be renewed when rendered unserviceable by fair wear and tear.

Boots made by the Jail department will be supplied in future. They are much stronger and better made than the common bazaar boots at present issued.

11. Moochees, attenders and mateys will be supplied with a suit of blue cloth instead of red, to last two seasons. They will not receive turbans but will be given umbrellas.

12. The sale of any article of uniform or clothing issued at the expense of Government is absolutely prohibited. Any one infringing this rule will be severely dealt with. Suits of warm clothing which have been in use for the period allowed by the rules may be used by peons on the Hills when not on duty.
