LETTER—from

COLONEL J. PENNYCUICK, R.E.,
Secretary to the Government of Madras,
Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
MILITARY DEPARTMENT.

SIR,

I am directed to state that an estimate of Rs. 9,830 was sanctioned for constructing an armoury with magazine and store room and quarters for the Sergeant Instructor attached to the South Indian Railway Volunteer Corps at Cuddalore. The accommodation for the Sergeant Instructor was estimated at Rs. 5,380 and that for the armoury, magazine and store room at Rs. 4,450. The latter which formed the lower story of the building has been completed from the grant-in-aid of Rs. 3,285 sanctioned by the Government of India in letter No. 2665 B., dated the 18th August 1893, and from corps funds.

2. A sum of Rs. 3,195 was provided in the budget estimate for 1893–94 for the Sergeant Instructor's quarters which formed the upper story, but the amount was surrendered to the Government of India in my letter No. 2825 W., dated the 3rd November 1893, as the work could not be commenced until the completion of the lower story. The provision of Rs. 5,380 made for the work in the preliminary budget for 1894–95 was also withdrawn by the Government of India in its Resolution No. 971 M.W., dated 27th March 1894. As it is desirable that the upper story should be completed as early as possible and as it is not practicable to make a reappropriation from the repair grant to the Presidency, I am directed to request that a special allotment of Rs. 5,380 or Rs. 6,698 inclusive of establishment and tools and plant charges may be provided at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Secretary to Govt., P.W.D.
