SIR,
MILITARY DEPARTMENT.

With reference to P.M.G. No. 5742 of the 14th ultimo, I am desired to report that, during the Commander-in-Chief's recent tour of inspection, His Excellency noticed that one of the rooms in the West Hill Barracks, Calicut, from which the flooring was removed, has been completed with cement and asphalt, but that the other has only been cemented and the completion with asphalt is stated to be at a stand still for want of funds.

2. His Excellency is of opinion that the work should be pushed forward, if possible, as the men are overcrowded in the other rooms, owing to the two rooms undergoing flooring alterations having been taken over by the Public Works Department

3. I am desired therefore to solicit that steps may be taken, in view to the early completion of the work
