The humble petition of the undersigned

Madras.

Most Respectfully Sheweth:—

Referring to their petition dated 23rd
October 1893 and to the G.O. No. 3121 W dated 11 December
1893, your Excellency's petitioners most respectfully beg
leave to state that instead of 13 porahs per pagoda as
stated in their petition above alluded to they are now
prepared to supply 14 porahs of Chunam to the
Department of Public Works as is done in the
Government Kilns, equal to the sample they will
tender for approval.

2. Your Excellency's petitioners will besides
themselves defray the expenses of Cart hire connected
with the delivery of the Chunam at the Government
Works within the Municipal limits.

3. As the Government will effect a large
saving by your Excellency's petitioners offer without

manufacture of lime as they are at present doing
and have been doing for sometime pasts under
the present system your Excellency's petitioners

most humbly venture to hope that the offer they have
now made will receive your Excellency's favorable
Consideration -

With due respects
