Copy of letter from A. H. Mann, Esq^r
Assistant Engineer in charge, Kistna
Northern Division to the Superintending
Engineer, Second Circle, dated 5^th October
1894, No. 295 S.E.

With reference to item 21 of Objection-
able Items Statement for July 1894,
I have the honour to forward here-
with a list of Norwegian white
wood ceiling boards bought of
George Service & Co., Bombay and
to request that you will be good
enough to obtain the sanction of Govern-
ment for the local purchase of the
articles.

2. The boards appear to have been
made in India of ~~off~~ pine wood
imported from Europe and, therefore
fall within the scope of the provision
of para 2, Appendix X, Volume II,
India Code.

3. The boards have been obtained for the different* buildings in this and Kistna Western Division with your permission, vide your No 2273 KS of 17th December 1893 to the Executive Engineer, Kistna Western Division.

4 The papers on record do not show that sanction of Government has previously been applied for; hence the present application.
