READ—the following paper :—

Office-note from the Examiner, Public Works Accounts, dated Madras, 16th October 1894, No. 4172 D/R.

In Proceedings of the Government, No. 188 W., dated 24th January 1889, it was ordered, at the instance of the then Examiner, that departmental officers should in future obtain their supplies of telegraph form books and guides from the Examiner and refrain from obtaining local purchases. This has necessitated the following procedure :—

(1) an indent on the Examiner from each office ;
(2) a combined indent on the Superintendent, Government Printing, Calcutta, from the Examiner ;
(3) verification of supplies by the Examiner in compliance with 2 ;
(4) accounting for those supplies in the Examiner's office ;
(5) issue by Examiner in compliance with 1 ;

and has involved the expense of freight or postage—

(*a*) from Calcutta to Madras ;
(*b*) from Madras to indenting officers.

2. Now, as regards telegraph forms, all this has been pure waste of time and money, as they are procurable free of charge at any telegraph office.

3. Telegraph guide books can be purchased locally at a cost of four annas a copy.

4. I therefore recommend that the Government order quoted above be cancelled, and that the head of each office be instructed to make his own arrangements for the supplies of both form books and guides, the cost of the latter being debited to "Establishment—Contingencies."

ORDER—dated 19th October 1894, No. 2642 W., Public Works.

The proposals of the Examiner are approved.

2. Officers of the department will in future make their own arrangements for obtaining copies of telegraph forms and guide books.

To
The Accountant of Military Accounts,
Eastern Circle, Bengal

Sir,

I am directed to request you to remind all disbursing officers concerned that they should expedite, as much as possible, the submission and payment of all claims on account of all military services, but especially those in connection with expeditions and field operations either completed or in progress as it is necessary that all military expenditure appertaining to the current financial year should be adjusted in the accounts of the year.
