GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers :—

From R. HILL, Esq., Superintendent, Government Press, to the Chief Secretary to Government, dated Madras, 24th July 1894, No. 1592.

I have the honour to submit the annual report on the working of the Government Press, and its branch at the Penitentiary, for the year 1893–94.

2. *Accounts.*—The cash realizations amounted to Rs. 32,620–15–5, and were Rs. 2,629–4–1 in excess of the previous year, the increase being in advertisements for the gazette and law reports, subscriptions to the gazette, and for printing and binding. There was a decrease in the sales of the law reports amounting to Rupees 557–6–3. Under adjustments the amount received was Rs. 25,213–14–2, a little less than in the preceding year. The total receipts were Rs. 57,834–13–7 against Rupees 55,232–14–6. The amount remitted to the bank was Rs. 32,274–11–11, and was Rs. 2,671–5–2 in excess of previous year (see statement No. 1).

3. The budget grant for the year was Rs. 2,34,988, the total expenditure being Rs. 2,39,983–7–7, against Rs. 2,32,437–11–2 in 1892–93.

4. The apportionment of expenditure is shown in statement No. 3, and it will be seen that there has been an increase in overtime of Rs. 1,432 owing to a larger number of pages and impressions turned out for the gazette and district gazette supplements; an increase in contingent charges was also caused by so much working late for the gazette; pension charges were increased by Rs. 940; and there was an increase of Rs. 2,514 under miscellaneous charges. At the Penitentiary Branch there was a decrease under salaries, but an increase will be found in convict labour substituted, and an increase under miscellaneous charges. The increase in type foundry for salaries, contingencies, and miscellaneous was caused by the additional machines obtained in the preceding year, and there is a corresponding increased outturn.

5. *Publications.*—There was a decrease in the issues to public offices, but the sales were nearly as much as in the previous year.

The expenditure for printing, binding, and paper for the third volume of Manual of Administration was Rs. 8,646–8–0, and the total cost was Rs. 72,646–11–6; the printing of the volume is now completed and copies are being bound and issued. Work was undertaken for 283 offices and departments against 266 in the previous year.

10. The cost for printing was Rs. 2,41,253–6–10 against Rs. 2,34,774–4–6 in the preceding year (see statement No. 2). The cost for the several descriptions of work done for all departments is given in statement No. 4. There is a total increase of Rs. 909 under 3. Land Revenue, Rs. 2,406 under 18. 13. At the Government Press there is a decrease in the cost per page, but an increase in the cost per 1,000 impressions, partly caused by gazette work and partly by the hand presses having more proof-pulling work to do. During the past two years the hand presses were unable to strike off much of the short number G.Os., book-work, and job-work during the day-time, owing to the frequency with which proofs, clean copies, and fair copies before final issue, were required for manuals, codes, reports, and general book-work. At the Penitentiary Branch there was a decrease in the cost per page and per 1,000 impressions.

Two classes are now formed, and there were 17 proof readers and 11 reading boys attending them in March last. For *press-work* there is a class of 10 men, but no examination has been held. One compositor studied press-work during the year and passed in the second class in the Government Examination for Press-work held in December last. There are classes for *type-casting* and *stereotyping* and 18 men and boys are attending them, but no examination has been held. The school has drawn Rs. 80 as results grants for the students that have succeeded at the Government examinations.

20. At the Penitentiary Branch there is a class for teaching long-sentenced prisoners to read English, and as soon as they are sufficiently advanced they are sent to the compositor's room. They then receive similar technical instruction as is given at the Government Press. During the year four prisoners passed the first test, one the second, and one the third test for compositors. In March last there were six studying for the first test, four for the second, one for the third, and one for the fourth test. The prisoner employed as a proof reader is studying the proof-reader's test. No progress could be made with the class for pressmen and it has been stopped.

21. *Volunteering.*—On the 31st March there were 32 men in the company, and 8 men in other companies of the Madras Volunteer Guards. Three men passed the proficiency drill for promotion. Subscriptions were again collected and nine money prizes amounting to Rs. 50 were fired for in December last.

22. *Service Registers.*—The service registers of the permanent establishment were completely written up to 31st March 1894.

23. *Inventory of Stock.*—With reference to G.O., dated 18th September 1893, No. 920, Financial, I beg to report that the inventory of stock of plant is maintained as per paragraph 6 of this report.

No. 1810.

Office Note.

In reply to memorandum, dated 11th August 1894, No. 1605, Public, the Officiating Superintendent, Government Press, submits that the percentages for wear and tear of material are calculated according to the revised rates sanctioned in G.O., dated 13th October 1891, No. 868, Public. A copy of the rates is herein enclosed for information.

2. The rate of deduction varies according to the description of plant for the periods they are serviceable, hence the total deduction bears no fixed proportion to the total value of plant.

Madras,
13*th August* 1894.

(Signed) T. FISHER,
Offg. Superintendent.

To the Chief Secretary to Government.

From the Superintendent of Government Printing, India, to the Chief Secretary to the Government of Madras, dated Calcutta, the 11th September 1894, No. 1124-A.

With reference to your No. E. 1771, dated the 1st September 1894, I have the honour to say that this press allows a depreciation of 5 per cent. on type and other printing materials.

Order—dated 1st October 1894, No. 732, Public.

Recorded.

2. The working of the Press was satisfactory. The Government is pleased to observe the increased outturn of the type foundry.

3. The results of the examinations referred to in paragraph 19 were not so good as could be wished, but with the personal interest which Mr. Hill takes in the instruction of the classes they will no doubt improve as time goes on. The teaching of the convicts at the Penitentiary is noted with approval.

4. The Auditor's report will be awaited.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following papers:—

From R. HILL, Esq., Superintendent, Government Press, to the Chief Secretary to Government, dated Madras, 24th July 1894, No. 1592.

I have the honour to submit the annual report on the working of the Government Press, and its branch at the Penitentiary, for the year 1893-94.

2. *Accounts.*—The cash realizations amounted to Rs. 32,620-15-5, and were Rs. 2,629-4-1 in excess of the previous year, the increase being in advertisements for the gazette and law reports, subscriptions to the gazette, and for printing and binding. There was a decrease in the sales of the law reports amounting to Rupees 557-6-3. Under adjustments the amount received was Rs. 25,213-14-2, a little less than in the preceding year. The total receipts were Rs. 57,834-13-7 against Rupees 55,232-14-6. The amount remitted to the bank was Rs. 32,274-11-11, and was Rs. 2,671-5-2 in excess of previous year (see statement No. 1).

3. The budget grant for the year was Rs. 2,34,988, the total expenditure being Rs. 2,39,983-7-7, against Rs. 2,32,437-11-2 in 1892-93.

4. The apportionment of expenditure is shown in statement No. 3, and it will be seen that there has been an increase in overtime of Rs. 1,432 owing to a larger number of pages and impressions turned out for the gazette and district gazette supplements; an increase in contingent charges was also caused by so much working late for the gazette; pension charges were increased by Rs. 940; and there was an increase of Rs. 2,514 under miscellaneous charges. At the Penitentiary Branch there was a decrease under salaries, but an increase will be found in convict labour substituted, and an increase under miscellaneous charges. The increase in type foundry for salaries, contingencies, and miscellaneous was caused by the additional machines obtained in the preceding year, and there is a corresponding increased outturn.

5. *Publications.*—There was a decrease in the issues to public offices, but the sales were nearly as much as in the previous year.

A reduction will be seen in the bills for the High Court, Inspector-General of Police, Government Astronomer, Adjutant-General, and Quartermaster-General (see statement No. 6). Work was undertaken for 283 offices and departments against 266 in the previous year.

10. The cost for printing was Rs. 2,41,253–6–10 against Rs. 2,34,774–4–6 in the preceding year (see statement No. 2). The cost for the several descriptions of work done for all departments is given in statement No. 4. There is a total increase of Rs. 909 under 3. Land Revenue, Rs. 2,406 under 18. 13. At the Government Press there is a decrease in the cost per page, but an increase in the cost per 1,000 impressions, partly caused by gazette work and partly by the hand presses having more proof-pulling work to do. During the past two years the hand presses were unable to strike off much of the short number G.Os., book-work, and job-work during the day-time, owing to the frequency with which proofs, clean copies, and fair copies before final issue, were required for manuals, codes, reports, and general book-work. At the Penitentiary Branch there was a decrease in the cost per page and per 1,000 impressions.

Work was undertaken for 283 offices and departments against 266 in the previous year.

10. The cost for printing was Rs. 2,41,253–6–10 against Rs. 2,34,774–4–6 in the preceding year (see statement No. 2). The cost for the several descriptions of work done for all departments is given in statement No. 4. There is a total increase of Rs. 909 under 3. Land Revenue, Rs. 2,406 under 18. 13. At the Government Press there is a decrease in the cost per page, but an increase in the cost per 1,000 impressions, partly caused by gazette work and partly by the hand presses having more proof-pulling work to do. During the past two years the hand presses were unable to strike off much of the short number G.Os., book-work, and job-work during the day-time, owing to the frequency with which proofs, clean copies, and fair copies before final issue, were required for manuals, codes, reports, and general book-work. At the Penitentiary Branch there was a decrease in the cost per page and per 1,000 impressions.

No. 1810.

Office Note.

In reply to memorandum, dated 11th August 1894, No. 1605, Public, the Officiating Superintendent, Government Press, submits that the percentages for wear and tear of material are calculated according to the revised rates sanctioned in G.O., dated 13th October 1891, No. 868, Public. A copy of the rates is herein enclosed for information.

2. The rate of deduction varies according to the description of plant for the periods they are serviceable, hence the total deduction bears no fixed proportion to the total value of plant.

(Signed) T. FISHER,
Offg. Superintendent.

Madras,
13*th August* 1894.

To the Chief Secretary to Government.

From the Superintendent of Government Printing, India, to the Chief Secretary to the Government of Madras, dated Calcutta, the 11th September 1894, No. 1124-A.

With reference to your No. E. 1771, dated the 1st September 1894, I have the honour to say that this press allows a depreciation of 5 per cent. on type and other printing materials.

Order—dated 1st October 1894, No. 732, Public.

Recorded.

2. The working of the Press was satisfactory. The Government is pleased to observe the increased outturn of the type foundry.

3. The results of the examinations referred to in paragraph 19 were not so good as could be wished, but with the personal interest which Mr. Hill takes in the instruction of the classes they will no doubt improve as time goes on. The teaching of the convicts at the Penitentiary is noted with approval.

4. The Auditor's report will be awaited.
