GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From C. A. SMITH, Esq., Executive Engineer, Kistna Eastern Division, to the Superintending Engineer, II Circle, dated 16th January 1894, No. 4980.

With reference to your No. 514 Gl., dated 30th December 1893, I have the honour to point out that it has always been usual to execute private jobs in the Bezwada Workshops, and as there are no other shops in the place it will cause considerable inconvenience if this procedure is entirely stopped.

2. As there is no competition with private firms, I have the honour to request that you will be good enough to apply to Government for sanction to continue to undertake private jobs as at present at the discretion of the Executive Engineer.

No. 2496 K.S.

Forwarded to the Chief Engineer, Public Works Department, with a recommendation that permission to execute private jobs at the discretion of the Executive Engineer be given.

2. Bezwada is a small place where there are no shops, &c., at which small jobs can be executed, and, as a matter of fact, very few people will require jobs executed at the Government Workshops except the members of the Public Works staff.

(Signed) J. W. MARTIN,
Suptg. Engineer, II Circle.

22nd January 1894.

From L. L. WICKHAM, Esq., General Superintendent, Public Works Workshops, to the Superintending Engineer, V Circle, dated Madras, 19th January 1894, No. 137 S.E. 5th.

I have the honour to request that you will be good enough to inform me as to whether estates under the management of the Court of Wards are to be considered private parties or not. I often have indents for seals, &c., from Collectors on behalf of estates under the Court of Wards.

No. 21 W.

Submitted to the Chief Engineer, Public Works Department, for favour of orders on the point raised by the General Superintendent.

2. By Madras Code, paragraph 1904, as amended by Standing Order No. 1325, dated 18th August 1890, the whole estimated cost, including charge for supervision, &c., should be paid in advance of a work undertaken in the workshops for estates under the Court of Wards. In Government of India Code no mention is made of estates under the Court of Wards, chapter XIII, paragraph 91 F.

23rd January 1894. (Signed) J. C. LARMINIE,
Suptg. Engineer, V Circle.

ORDER—dated 30th January 1894, No. 265 W., Public Works.

The restriction contained in G.O., No. 1077 W., dated 2nd April 1892, under which no private work is to be undertaken applies only to the Presidency Public Works Workshops. In other workshops of the Public Works Department, the provisions of paragraph 173, chapter I, volume II of the Public Works Code (Provisional Issue) will be applied.

2. Work on behalf of estates administered by the Court of Wards may be undertaken by the Presidency as well as other Public Works Workshops, but prepayment of the total cost of the work, as required by the Code rule quoted above, will be compulsory.

The expenditure on Estates under the Court of Wards is met from private funds, but it is administered by public officers. L.O. 1077 as of 2 April 92 does not therefore, as it stands, seem to provide for a case of this kind.
