Sir,

Enclosure 1

I have the honor to forward herewith a Proposition Statement for a Surveyor for 6 months for the investigation of the Project of extending the Akabad ancient system.

2. This project was ordered by Col. Drake Brockman when Superintending Engineer and most of the field work has already been done once under the Supervision of Supervisor Chinnaswamy Iyengar.

3. The Sub Divisional Offices

the levels taken are altogether unreliable and that they have all to be checked wherever they have been checked already it has been found necessary to do nearly all the work again & Early sanction is therefore requested to the employment of a Surveyor as it is necessary to get this reference cleared off. I have authorized the Sub Divisional officer to appoint a man in anticipation of sanction.

I have &c.
