Sir.

The Examiner, Public Works Accounts, has requested me to recover rent from Mr. Logan for March 13th to 31st for the part of my house which he occupied last season, on the ground that Mr. Logan left his effects there when absent at Kodaikanal for the recess. I pointed out that the case was not parallel to that of absence on privilege leave dealt with in G.O.No. 3155 iv dated 5th December 1893 inasmuch as Mr. Logan's only alternative to leaving his effects in the house at Periyar was to take them to Kodaikanal and as this would have been at Government expense

expense. It was a direct saving to Government that the furniture should be left at Penjar. The Examiner however desires that the matter may be referred to the orders of Government and I have therefore the honor to request that you will be so good as to ask for the orders required.
