READ—the following paper :—

From C. M. MULLALY, Esq., President, District Board, Kurnool, to the Chief Secretary to Government, dated 1st October 1894, No. 70.

In forwarding herewith a sketch of the Nandyal market, together with a copy of letter, No. 1521, dated 10th August 1894, from the Executive Engineer, Kurnool, and a copy of the District Board's Resolution, No. 65, dated 26th September 1894, thereon, I have the honour to state that, with a view to improve the market, the following modifications are proposed in the plan of the building:—

The points B and C are to be joined by a wall and the portion F G knocked down; B E is to be raised and a lean-to constructed on either side. The portion marked A is the old Sub-Registrar's office. It will be seen that when the proposed improvements indicated above have been carried out the building in question will be right inside the market. I have therefore the honour to request that Government will be pleased to sanction the transfer of the building to the Local Funds as it is not required for any other Government purpose.
