M. P. W. ACCOUNTS.

From
Henry Irwin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To
The Chief Engineer
Public Works Department.

Sir,

Enclosures

I have the honor to bring to your notice that the present flooring of some of the main corridors of the 2nd & 3rd stories of the new High Court building are beginning to wear out & require re-placing which will cost about Rs1600/-. The cause is that the Buff coloured tiles used in these floors were of inferior quality owing to a mistake made in the process of manufacture, which was not discovered until after the tiles were laid.

2. As there is a saving of Rs 37,019 in the construction Estimate for the new High Court building, I request to be informed whether the cost of re-flooring may be charged against this saving.

3. A completion report for the construction Estimate referred to above has already been submitted but if you approve I shall submit a revised completion Report as soon as the work of re-flooring is completed.

4. Should my proposals meet with your approval, I request that a grant of Rs 1600/- may be re-appropriated for the proposed work from anticipated saving in the Estimate for additions to the Government Press Building, for which a grant of Rs 9,908 was sanctioned in G.O. No 1609 W dated 28th June 1894.

I have the honor to be
Sir
Your most Obedient Servant

Henry Irwin
Consulting Architect
to Government.
