From the Inspector-General of Registration, Madras, dated 4th October 1894, No. 53.

The Sub-registrar's office at Sompet in the Ganjam district is now held in a rented building under the sanction accorded in G. O. Judicial dated 15th January 1891, No. 83, and the Registrar of the district reports that the owner has given notice that he wants the building for his own use and that it should be vacated.

2. The Registrar reports further that no suitable building is available for rent in the town.

3. In these circumstances, I have the honour to request that Government will be pleased to sanction the addition of a room about 15 feet square to the office building of the Deputy Tahsildar of the station, for the

e of the Sub-registrar, his clerk and records. As the office is not an important one and has only one clerk, I have not recommended the construction of a separate building on the standard design.

The Inspector General's proposal to add a room about 15 feet square to the office building of the Deputy Tahsildar of Sompet in the Ganjam District, for the location of the Sub-Registrar's office therein is approved.
