I am directed to acknowledge the receipt of your No. 2035 W., dated the 17th August 1894, submitting for information a copy of Madras Government Proceedings sanctioning a remission of rent for the period, viz., 6th to 27th May 1894, that the bungalow at Husthamputty which is occupied as a residence by the Executive Engineer at that place was under repairs.

2. I am to invite attention to clause III (*a*) of paragraph 28, chapter XI, volume I of the sixth edition of the Public Works Department Code and to point out that there is nothing in the Proceedings forwarded to show that the tenant was compelled to hire another house while repairs were in progress which, in the rule above quoted, is a condition of remission of rent being granted, and to request that such information may be furnished while reporting similar remissions in future.
