The provision made is sufficient to complete the road.	
This work will be completed this year. It is therefore provided for under repairs.	
It is resolved to give up this road, as the Koraput-Lakshmipur road is sufficient to carry all the traffic in this part of the country; hence the increased provision to the latter.	
Singapur is one of the grain centres of the Jeypore estate and there is no road to it at present.	
The old Paderu taluk has lately been amalgamated with the Special Assistant Agent's division with head-quarters at Paderu.	
There is a weekly market place at Devarapalli where the produce from Hill Madgole is taken to. A road is much needed.
