

Office of the Consulting Architect to Govt.,
Chennai, Madras.

No. 1808.

25th September 1894.

From

Henry Irwin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

To

The Secretary to Government

Public Works Department.

Sir,

Enclosures

I have the honor to bring to the notice of Government that Sergeant Cornwell Supervisor, employed in this Division was allowed Exchange Compensation allowance from March to November 1893 - Subsequently instructions received from the Examiners in the dis. list on December's salary bill the amount already audited and paid to Sergeant Cornwell was recovered from him.

2. Again, on instructions received from the Examiners the amount previously disallowed together with the Exchange Compensation allowance from December 1893 to March 1894 was paid to Sergeant Cornwell and claimed in the salary bill for March 1894 which was audited.

audited.

3. His exchange Compensation for April 94 was also paid to him, but on receipt of the audited salary bill for this latter month, it was observed, that the whole amount, viz Rs 123-4-4, from March 1893 to April 1894 was disallowed by the Examiner on the score that the allowance is inadmissible to military subordinates on that portion of their salary calculated and paid in rupees. Sergeant Cornwell was thereupon asked to refund the amount disallowed and this he has since done.

4. On receipt of G. O. N^o 598 Financial communicated with G. O. N^o 2146 Wd/31.8.94 I enquired of the Examiner whether the above amount may be re-claimed in the next salary bill, but as that officer states that the question should be referred for the orders of Government, I request to be favored with early orders as to whether the Exchange Compensation allowance which was twice admitted by the Examiner and twice recovered from Sergeant Cornwell should ~~not~~ now be refunded to him.

5. Had the above G. O. been received prior to the Examiner's dis: list, there would have been no occasion for any recovery to have been made from Sergeant Cornwell but as matters now stand, I think it

nothing

nothing but fair, that the amount recovered from Sergeant Cornwell should now be repaid to him.

I have the honor to be
Sir

your most obedient servant

Henry Inver

To

The Consulting Architect to
Government, Madras.

Sir

With reference to Deputy Chief
Engineer's No. 3034 C. dated 9 October 1894
I beg to report that when the Exchange
compensation was passed to me the 2nd time
after having been once disallowed, it was
accepted in good faith, as a final order and
the money spent.

When subsequently called on to
refund it again, it bore very hardly on me
to have $\frac{1}{3}$ of my salary stopped for 2
consecutive months, and my half yearly premium
for life assurance falling due directly afterwards
combined with the stoppage of the Exchange
Compensation, to involve me in financial difficulties
from which I see no immediate prospect of relief.
Should this money be not re-imbursed

I am Sir

Your obedient servant.

J. W. Cornwell Sergt.
Supervisor 2nd grade
