To

The Secretary to Government
Public Works Department
Madras

Sir,

I have the honor to forward a petition addressed to the Government of India, and to request that it may be forwarded as soon as possible to that Government.

2. As it is now nearly six months since I received the order of the Government of Madras (G.O. No. 833 Wd/29th March 1894) on my petition of the 14th March 1894 I beg to explain the reason of the apparent delay on my part in taking further steps to obtain redress.

3. The story of my grievances is a long one, and the circumstances and matters involved are many and complicated, and conscious of my general incapacity to state my case myself in such a way as to secure attention and credence, it was essential for me to obtain assistance in the preparation of any further memorial; and the more so because every failure on my part to secure such attention and credence — and I have failed twice already — is calculated to prejudice me in the eyes of each successive authority, to whom I may be compelled to appeal. For these reasons it was essential to me that I should obtain proper assistance and it was only after a long time and with much trouble, that I was able to obtain such assistance; and having obtained the assistance desired I was of course placed, as regards the time of completion and submission of

of my present petition, in the hands of those who undertook to assist me.

4. I trust that, under this explanation, the delay on my part in appealing against the order of the Government of Madras quoted above may not in any case be held to prejudice my right of appeal to higher authority: but at the same time, if I am correctly informed, I understand that, my petition being presented within six months from the date of receipt of the above quoted order, no such question can arise.

5. I am forwarding a copy of this petition marked "Duplicate" to the Secretary to the Government of India in the P.W.D.

I have the honor to be
Sir,
Your most obedient Servant
T. Ramayya
Late Accountant P.W.D.

3. The voluminous printed petition of the 28th July 1893 (marked enclosure D to the present memorial) with its appendices A to C, was carefully considered by this Government after obtaining the remarks thereon of the Examiner P. W. Accounts, and the decision arrived at by His Excellency the Governor in Council was that there was no reason to reverse the previous decision on the case; a copy of the order in question No 2760 W of 27th October 1893 is enclosed. The further petition of 14th March 1894 (enclosure E) was also rejected by Proceedings dated 29th March 1894, No 833 W copy of which is forwarded.
