BOARD'S GEN. REG. NO. 1679 OF 1894
LAND REVENUE.

FROM

J. Thomson ESQUIRE,

Ag Collector & District Magistrate,

TANJORE.

To

The Secretary to the Commissioners

of Land Revenue

MADRAS.

SIR,

The Superintendent of Police, Tanjore, brings to notice that the Taluk Police Station House at Mayavaram (Size 20' x 12') which forms part of the Taluk Cutcherry and Subjail buildings does not afford sufficient accommodation for the large number of men attached to the Station, viz, 2 Head Constables and 21 Constables, and suggests that to the present Police Guard Room may be added two rooms, one 12 ft square for the increased accommodation required for the Station and the other 12 ft x 8 ft for the use of

the Police Inspector, vide plan enclosed.
The Sub Collector and the Executive Engineer
have no objection to the extension pro-
posed. The cost of the work is estimated
at Rs 1,400 by the Executive Engineer who
says that, under G. O. N^o 2806 W, dated
7th October 1892, plan and estimate
cannot be prepared before the proposals
are approved by Government.

2. I have the honour to request that
the Board will be pleased to obtain
the sanction of Government to the
proposals and that the work may
be ordered to be carried out by the
D. P. W.

I have the honour to be,
Sir,
your most ob^t servant,
