PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Collector, Krishna, of 1st September 1894, No. 29, requiring what final orders were passed with reference to his letter of August 1893, recommending an inspection of the Apputuru river by a competent Engineer in view to the construction of an inland harbour, and adding that he was told by the Presidency Port-officer that the project was impossible.

Enclosurement of the Public Works Department of 12th October 1894, No. 2106C transferring a note by the Chief Engineer stating that a practicable harbour cannot be made without an expenditure altogether out of proportion to any possible benefit to trade.
