Read the following paper:—

Endorsement of the Public Works Department dated 20th October 1894, No. 3240 C on letter from the Superintending Engineer, II Circle, of 13th October 1894, No. 242 B. C.

Order of 2nd November 1894, No. 826.

The object of the rules regarding the suspension and subsequent disposal of Government servants who become insolvent is that Government may not be exposed to the risk necessarily involved by the retention of persons who are utterly reckless in their monetary transactions. 2. The case of clerk V. Raghava Row shows that he was guilty of such recklessness that to permit his retention ⁱⁿ service would be to totally disregard the rules referred to above. He will accordingly be removed from the service with effect from the date on which this order is received in the office in which he is serving.
