MILITARY (1894) DEPARTMENT. Former papers.

Superintending Engineer's Office.
Bezwada
II CIRCLE,
Dated 4th March 1894.

No. 1785/M

From, Major W.L.C. Baddeley RE
Esquire,
Superintending Engineer,
II Circle.

To,
The Chief Engineer
P.W. Department
Madras.

Sir,

I have the honour to bring to your notice, the very excellent manner in which Mr. Reid Assistant Engineer has managed the Kistna Eastern Division, during the absence on privilege leave, for 3 months, of Mr. C.et. Smith, the Executive Engineer.

2. Mr. Reid has not only prevented the accumulation of arrears in an exceptionally heavy division, but has also taken up a great deal of

of nine work and has proved himself to be a very capable and hard working officer. I regret that I am unable to apply for any change allowance for him, as I understand that the rules do not allow an Assistant Engineer to draw such until he has passed the Departmental Standard in a vernacular.

3. I beg, however, to point out that that the examination prescribed in para 18 Chapter II, Vol I, P.W. Code referred to in G.O. No. 2061 W. of 20th August 1894 apparently applies only to officers serving on a list under the Government of India; and, therefore, the reason for declining to appoint him as officiating Executive Engineer would appear to require reconsideration.

I have the honour to be,
Sir
Your most obt. Servant
McBaddeley Major RE
Supdg. Engineer, III Circle

Note

The question raised by the S.E. II Circle, regarding the grant of charge allowance to Asst. Engrs who have not passed D.S. has been considered in many similar cases.

In the case of Mr. D. Marshall, who held temporary charge of the Tanjore division, the point was referred by C to the Asst. Secy. Pub. Wks. who replied that the allowance was inadmissible - vide G.O. No. 2128W of 1.8.92. Since then the allowance has been invariably refused to unpassed Engrs -

Forwarded.

Whether it could not be submitted for Sanction as a special case
