With reference to your letter No. 1695 W. dated 7th July 1894, I am directed to request that Mr. A.T. Mackenzie, Executive Engineer, may be informed that the memorial addressed by him to the Secretary of State for India, in which he prayed that the benefits of the special retirement terms, published in Public Works Department Resolution No. 2873 G. dated 2nd November 1893, might be extended to him, was duly transmitted for orders, and that the Secretary of State has replied that, while he regretted that there should be any appearance of hardship to an officer so highly reported on as Mr. Mackenzie, he agreed with the Government of India that it was inexpedient to extend the special terms of retirement to a case in which the object they were intended to meet (that is to say a reduction of the number of officers belonging to certain specified years) would not be served.

The Secretary of State further observed that it must be borne in mind that the retirement under the special terms even of officers, who are eligible, cannot be claimed as a matter of right, but that power is reserved to this Government to refuse any particular application to retire.
