PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Inspector General of Prisons d/ 11th October 1894 No 5758.

With reference to G.O. 21st July 1894 No 1800

Judicial I have the honor to submit an estimate amounting to Rs. 1400 for the repairs required to the Madura District Jail, and to request that it may receive the sanction of Government as it is in excess of the limit of Rs. 500 laid down in rule 76 of the Jail Code.

2. If the Government so determines, the work will be carried out with convict labour and the employment of a local maistry, but considering the large amount of the estimate, and the fact that the jail is only a District jail, I think it would be better that it should be done by the Public Works Department, employing such convict labour as is required. I would recommend, therefore, that the estimate be transferred to the Public Works Department for scrutiny, sanction and provision of funds, the more especially as I have no funds remaining at my disposal from which to carry out the work during the current official year.

Order d/ 6th November 1894 No 2675.
