PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector General of Police, Madras, dated 25th
October 1894, No. 6320.

I have the honour to request sanction of Govern-
ment for the following improvements to the Police Station and lines
at Ootacamund, Nilgiri District.

- (1) Cement drains at the back of all the Police lines.
- (2) Cut-stone drains in front of the lines.
- (3) Cut-stone and cement platform in the two lock-ups to
place the urine buckets on-at night.

The present cement drains are constantly getting out of order. Cut
stone has been found by the Municipality far more satisfactory and
cheaper in the long run. These drains carry off the refuse water
from the kitchens etc. of the lines.

This work was included in the statement A dis-
posed of in G.O. No. 2487 dated 28th November 1894, J.D./

If my proposal is sanctioned I solicit that
necessary orders may be issued in the Public Works Department for
the preparation of plans and estimates.

ORDER.

O R D E R, dated 7th November 1894, No. 2685.

The proposed improvements to the Police station and
lines at Ootacamund, Nilgiri District, are approved and the neces-
sary orders for the preparation of plans and estimates will issue
in the Public Works Department.
